NATIONAL ANTHEM.....36

Vision

An inclusive society that provides opportunities and services to persons with special needs and disabilities for improved quality of life.

Mission

To facilitate service provision for persons with special needs and disabilities through human capital development, research, data management, functional assessment, habilitation and rehabilitation, inclusive education practices, technology and production of specialized learning materials, assistive devices and technology.

Core Values

- Integrity
- Equity
- Respect
- Empathy

CHAIRPERSON'S MESSAGE

On behalf of the Council of the Kenya Institute of Special Education (KISE), I am honored and deeply privileged to welcome you all to our 33rd Graduation Ceremony. Today marks a momentous occasion not only for our **1,931 graduands** but also for their parents, guardians, friends, and the entire KISE fraternity. We celebrate with you the successful completion of rigorous academic programmes tailored to champion inclusive education across Kenya and the region. Together, we renew our collective resolve to build a truly inclusive society where no learner is left behind.

KISE has stood as a catalyst for hope, opportunity, and meaningful transformation for thousands of children, and families with special needs and disabilities across Kenya and the region. Over the past year, the Council has worked closely with management, the Ministry of Education, and our development partners to strengthen governance structures, expand our training reach, and foster research and innovation in special needs education. In addition, KISE has embraced digital tools, assistive technologies, and evidence-based practices. This positions the Institute at a vantage point to spearhead an inclusive educational transformation ecosystem during the ongoing education reforms for the entire ecosystem of inclusive education. This commitment was demonstrated through the successful hosting of the 2026 KISE Conference on Assistive Technology and Innovation and the Vice-Chancellors Breakfast Meeting aimed at harmonizing disability inclusion standards across higher education institutions.

In alignment with national education priorities, the Institute has actively advanced the recommendations of the Presidential Working Party on Education Reforms touching on its mandate, specifically strengthening and staffing of Educational Assessment and Resource Centres (EARCs), the standardization of diagnostic assessment instruments, and local production of specialized learning resources and assistive devices. In line with these reforms, the Institute officially launched the Gifted and Talented (GT) Diagnostic Tool to strengthen national diagnostic frameworks and extended free functional assessment and therapy outreach. Furthermore, through the World Bank-supported KPEEL and SEEQIP programmes across all 47 counties, KISE developed the Basic SNE Screening Manual, and launched nationwide online teacher training of over 10,000 teachers, alongside a multidisciplinary field needs assessment to ensure learners with disabilities receive tailored assistive devices.

The Institute continues to operationalize the Parental Empowerment Centre by equipping parents and caregivers with practical skills to nurture education and holistic development of their children. KISE Factory for production of Assistive Devices and Specialised Learning Resources continues to design and produce specialised learning materials and assistive technologies readily available and affordable to end users. Having successfully launched Phase 4 of our nationwide distribution of these devices and learning materials to Special Schools, Units, and Inclusive Schools, the Institute is directly bridging equity gaps and enhancing classroom participation across the country.

Beyond our borders, the Council remains steadfast in strategic partnerships. This elevate the Institute as a regional centre of excellence in Special needs matters. This year, the Institute trained international students from Botswana, Somalia, Ethiopia, and Lesotho. This is part of the established high-impact partnerships with organizations as well collaborations that bring global expertise and knowledge exchange to strengthen our institutional capacity.

As a Council, we reaffirm our unwavering dedication to championing a society in which every person, regardless of ability, is respected, supported, and empowered to realize their full potential.

To the Class of 2026, you now step into a distinguished network of over 40,000 KISE alumni trained over the past four decades. Go forth with courage, compassion, and unwavering dedication in serving persons with special needs and disabilities.

Thank you, and may KISE continue to stand tall as a beacon of excellence and inclusion.

ABDI MOULID ABDI
CHAIRPERSON KISE COUNCIL

DIRECTOR'S MESSAGE

It gives me great pleasure to welcome you all to the **33rd Graduation** Ceremony of the Kenya Institute of Special Education (KISE). Today, we gather to celebrate the hard work, resilience, and determination of our graduands as they mark a defining milestone in their professional journeys. To each one of you, congratulations. You have earned this moment through dedication and perseverance, and we take immense pride in releasing you into the world as a strong workforce equipped with the knowledge, skills, and attitude to serve persons with special needs and disabilities.

Today, the Institute is proudly graduating a total of **1,931 graduands,** comprising **1,507 graduands** who will be awarded Diplomas in Special Needs Education and **424 graduands** receiving Certificates in diverse specialised disciplines. This class of 2026 brings the cumulative total of graduates produced by KISE since its inception over 40 years ago to over 40,000 personnel. These numbers represent generations of specialised practitioners who continue to advance inclusive education in Kenya and beyond.

The Institute remains deeply committed to expanding access to quality education and service provision for persons with special needs and disabilities. To this end, the Institute offers a rich spectrum of Diploma and Certificate programmes across key areas including Inclusive Education, Autism, Hearing Impairment, Visual Impairment, Learning Disabilities, Intellectual and Developmental Disabilities, Physical Impairments, Emotional and Behavioural Difficulties, Functional Assessment, Kenyan Sign Language (KSL), Speech and Language Therapy, Braille Proficiency, Audiology, Learner Support Assistance, and Adapted ICT. To meet the diverse

needs of our learners and clients, our modes of training remain flexible, encompassing Full-time, Online, School-based, and Workplace delivery.

Beyond classroom training, the Institute's specialised institutional pillars continue to transform lives nationwide. Our Assessment and Research Centre (ARC) remains a premier National Referral Centre playing a key role in early identification, intervention, habilitation, and rehabilitation. The Centre delivers comprehensive clinical and support services, including functional assessment, physiotherapy, occupational therapy, speech therapy, hydrotherapy, advisory support for teachers and parents, and counselling. Through outreach collaborations, we extended free functional assessment and therapy services across 26 counties, reaching over 7,000 persons with disabilities in underserved communities this year.

A major highlight of our impact this year is implementing two World Bank-supported Ministry of Education programmes, the Kenya Primary Education Equity in Learning (KPEEL) Program and the Secondary Education Equity and Quality Improvement Program (SEEQIP) across all 47 counties, including refugee camp schools. Through these initiatives, the Institute developed a Manual and inducted 335 Trainers of Trainers, who trained 4,800 teachers, and another training of 5,753 teachers is ongoing. This will enhance early screening and referral so that no learner with special needs and disabilities goes unnoticed. The Institute also deployed a multidisciplinary team of 47 orthopaedic officers, 28 educational assessors, and 11 supervisors to conduct a nationwide needs assessment, paving the way for the ongoing procurement and delivery of tailored assistive devices to learners with special needs and disabilities. These efforts are geared towards enhancing learners' participation and improving learning outcomes.

The KISE Factory continues to serve as a centralised unit for production and distribution of assistive devices and specialised

learning materials for Special Schools, Units, and Inclusive Schools across the country. Having successfully launched Phase 4 of our nationwide distribution of specialised learning materials and assistive devices, this initiative has significantly improved access to learning, promoted inclusive education, and ensured equity in resource provision.

To cement KISE's mandate in research, advocacy, and partnerships, the Institute hosted the 2026 KISE Conference on Assistive Technology and Innovation, convened the Autism Symposium, launched the Gifted and Talented (GT) Diagnostic Tool, and led World Deaf Week celebrations. Nationally, the Institute implemented the World Bank-supported Gender Inclusion Training, partnered with the IEBC on Kenyan Sign Language for electoral accessibility, and hosted the Vice-Chancellors Breakfast Meeting to harmonise disability inclusion in higher education. This is a demonstration of the position the Institute continues to hold in facilitating the provision of quality education and training, as well as service delivery to persons with special needs and disabilities.

To all graduands, I applaud you for completing your studies. As you step into this growing community of KISE alumni, remember that your qualification carries a profound responsibility. Carry with you the knowledge, values, and spirit of service instilled in you by this great institution. You are called upon to recognise abilities where others see barriers, respond to individual needs with compassion, and help build environments where every learner can reach their full potential. May you excel in your fields and make a lasting, meaningful difference in the lives of those you serve.

Congratulations once more, and thank you all for being part of this memorable occasion.

33RD GRADUATION CEREMONY PROGRAMME AND PROCEEDINGS

ARRIVAL OF GRADUANDS AND INVITED GUESTS

1. **7.00 am:** Graduands take their seats at the Graduation Square
2. **7.15 am:** Invited guests take their seats at the Graduation Square

ARRIVAL OF CHIEF GUEST

3. **8:15 am:** The Chief Guest is introduced to members of the KISE Council and Management by the Chairman and Director

   - The Chief Guest plants the ceremonial tree.
   - The Chief Guest signs the Visitor's Book
   - The Chairman of Council, Council members and Director proceed to the Courtesy room with the Chief Guest.

PROCESSION

4. The Academic procession assembles in the following order:
   - Mace Bearer
   - Chairman of Council, Director, Chief Guest
   - Council Members
   - Ministry Guests
   - Registrars
   - Academic Staff
   - One Students' Representative

5. **8:30 am:** The Chief Guests procession moves to the Graduation Square

CEREMONY AT THE GRADUATION SQUARE

6. **9:00 am:** All standing, The Chief Guests Procession enters the Graduation Square:
7. National Anthem and East Africa Anthem
8. Prayers
9. Entertainment
10. The Academic Registrar constitutes the Assembly as a congregation of Kenya Institute of Special Education

SPEECHES

11. The Deputy Director, Programmes invites the best 2026 graduand to give the Valedictory Speech
12. The Deputy Director, Programmes invites the Director to address the Congregation
13. The Director acknowledges the guests present, addresses the congregation and thereafter invites the Chairperson of Institute Council to address the Congregation
14. The Chairman of the Council addresses the congregation and invites the CEO Teachers Service Commission to address the Congregation.
15. The CEO Teachers Service Commission to address the Congregation and invite the Principal Secretary, Basic Education to address the Congregation.
16. The Principal Secretary, Basic Education to address the Congregation and invites the Chief Guest to address the Congregation

AWARD OF CERTIFICATES

17. The Academic Registrar invites the Course Coordinators of the following courses to present graduands for Award of Certificates in the following order:
    - Audiology
    - Speech and Language Therapy

- Braille Proficiency
- Functional Assessment
- Autism
- Learner Support Assistant
- Kenyan Sign Language

18. The Director invites the Chief Guest to award certificates

AWARD OF DIPLOMA

19. The Academic Registrar invites the Heads of Departments of the following Specializations to present graduands for Award of Diploma in Special Needs Education in the following order:
    - Autism
    - Physical Impairments
    - Emotional and Behavioural Difficulties
    - Visual Impairments
    - Intellectual and Developmental Disabilities
    - Hearing Impairment
    - Inclusive Education
    - Learning Difficulties

20. The Director invites the Chief Guest to award the Diploma
21. The Academic Registrar dissolves the Congregation
22. The National Anthem
23. Closing Prayer

THE NATIONAL ANTHEM

Oh God of all creation
Bless this our land and nation
Justice be our shield and defender
May we dwell in unity
Peace and liberty
Plenty be found within our borders.

Let one and all arise
With hearts both strong and true
Service be our earnest endeavour
And our homeland of Kenya
Heritage of splendour
Firm may we stand to defend.

Let all with one accord
In common bond united
Build this our nation together
And the glory of Kenya
The fruit of our labour
Fill every heart with thanksgiving.

EAST AFRICAN ANTHEM

Ee Mungu twaomba ulinde
Jumuiya Afrika Mashariki
Tuwezeshe kuishi kwa amani
Tutimize na malengo yetu.

Jumuiya Yetu sote tuilinde
Tuwajibike tuimarike
Umoja wetu ni nguzo yetu
Idumu Jumuiya yetu.

Uzalendo pia mshikamano
Viwe msingi wa Umoja wetu
Natulinde Uhuru na Amani
Mila zetu na desturi zetu.

Viwandani na hata mashambani
Tufanye kazi sote kwa makini
Tujitoe kwa hali na mali
Tuijenge Jumuiya bora.
